EXTERIOR 450 WOOD STAIN

Exterior use • Water clean-up • Spray, brush, roll • Fortified with UV-absorbers & mildewcides for maximum protection against the elements • Perfect for outdoor wood furniture & projects with vertical surfaces • The UV additive in 450 Stain will extend the integrity of the stain, but will not prevent the underlying wood color from fading due to sunlight • More instructions & videos at www.generalfinishes.com/exterior-stain.

TRY OUR OTHER EXTERIOR-RATED PRODUCTS

EXTERIOR 450 TOPCOAT

This clear-drying finish is packed with UV absorbers and built-in mildewcides to protect the finish. Recommended for vertical surfaces such as entrance doors.

COLOR: Clear

SHEEN: Flat, Satin, Semi-Gloss, Gloss

MILK PAINT

Milk Paint is a premium, self-sealing mineral-based finish that mimics the look of old-world furniture paint. On high-use projects, such as tabletops, 3 coats of topcoat are recommended.

COLORS: 33

SHEEN: Satin

LIMITED WARRANTY: General Finishes products must be tested to your complete satisfaction before using. GF will not be responsible for color satisfaction, misapplication, nor compatibility with other manufacturers' products. GF will be responsible only for the cost of our products, and not for costs such as labor, damage or project replacement.
